

Prices, *simply put.*

Starting prices, from Queens. Every project gets a short written scope and a fixed quote before any work starts.

01 • WEBSITES & SHOPS

Starter site from \$3,000
A focused site, mobile-ready, contact form, maps

Business site from \$5,500
More sections, blog or news, booking links

Each extra language +\$1,200
Translated pages, language switch, local search

Online shop from \$6,500
WooCommerce or PrestaShop, payments, Google Merchant Center product feed

Web app from \$15,000
Customer, staff and admin sides, payments, exports

02 • BRAND & DESIGN

Logo from \$600
Concepts, two rounds of changes, all file formats

Brand identity from \$1,750
Logo, colors, type, a short guide, print templates

05 • ONGOING CARE

Essential \$99/mo

Hosting, updates, daily backups, uptime watch.

Standard \$199/mo

MOST SITES
Everything in Essential, plus small changes each month and a dated changelog.

Shop \$349/mo

For shops and apps: more changes, priority fixes, payment and feed checks.

03 • LOCAL SEARCH

Google Business Profile cleanup \$200
Hours, photos, categories, services, reviews link

Local search audit \$375
Why you don't show up nearby, and what to fix first

Local search, monthly from \$250/mo
Listings, local pages, reviews, a monthly report

04 • ADVICE & HANDS

Scoping session \$120
Written scope and quote, credited if you go ahead

Consulting & admin \$120/hr
Tools, vendors, domains, accounts, project management

On your team \$120/hr
Developer and designer on contract; full time on request

Always included: one person from first call to last fix, a staging site from week one, and you own your domain, code and content.
